Celebrating Shabbat Together

- 6:15pm services with special participants by grade & family Shabbat dinner
- 9:15am Shir Shabbat family-friendly services with special participants by grade & bagel oneg

This year specific grades have been designated as special participants at Shabbat services. This will give students an opportunity to lead a prayer, share a reading and/or a song at the service. We look forward to your family joining the Temple Isaiah community for these Shabbat services and meals.

Social Action Sundays

Every grade will have a social action activity worked into one of its Sunday family education programs and this will culminate with the community-wide mitzvah day.

Family Education in Hey (Grade 5)

The Grade 5 Family Education program is a parent/child learning program which is an integral part of the Grade 5 curriculum. Sessions take place on Sunday during religious school hours. Parent(s) are asked to set aside the time to participate with their Grade 5 child(ren) on the designated dates.
