". . .Study is great, for it leads to action" (Talmud:Kiddushin 40b)

Celebrating Shabbat Together

- 6:15pm services with special participants by grade & family Shabbat dinner
- 9:15am Shir Shabbat family-friendly services with special participants by grade & bagel oneg

This year specific grades have been designated as special participants at Shabbat services. This will give students an opportunity to lead a prayer, share a reading and/or a song at the service. We look forward to your family joining the Temple Isaiah community for these Shabbat services and meals.

Social Action Sundays

Every grade will have a social action activity worked into one of its Sunday family education programs and this will culminate with the community-wide mitzvah day.

Family Education in Dalet (Grade 4)

The Grade 4 Family Education program is a parent/child learning program which is an integral part of the Grade 4 curriculum. Sessions take place on Sunday during religious school hours with the exception of the family SHABBATON in January. Parent(s) are asked to set aside the time to participate with their Grade 4 child(ren) on the designated dates.
